

Confirm the presence of munition(s)

---

**Overview**

This standard covers the competences you need to confirm the presence of munition(s) in accordance with approved procedures and practices.

You will be required to demonstrate that you can review and update your threat assessment, assessing objectively the feasibility of the operation in accordance with approved procedures and practices.

This activity is likely to be undertaken by someone whose work role involves Weapons, Ordnance, Munitions or Explosives work activities. This includes people working as munition clearance supervisors.

Confirm the presence of munition(s)

---

### Performance criteria

- You must be able to:*
- P1 work safely at all times, complying with relevant health and safety, environmental and other regulations, legislation and guidelines
  - P2 review and update your threat assessment
  - P3 assess objectively the feasibility of the operation
  - P4 manage hazards effectively
  - P5 select and use appropriate resources and equipment
  - P6 gain safe access to the potential munition(s) by the optimum means
  - P7 define/mark the route
  - P8 pinpoint the position of the potential munition(s) to such proximity as to enable confirmation
  - P9 challenge inconsistencies or anomalies of information
  - P10 use alternative methods to corroborate your evidence
  - P11 take prompt, corrective action in the event of problems arising
  - P12 communicate progress to relevant agencies

Confirm the presence of munition(s)

---

## Knowledge and understanding

*You need to know and understand:*

- K1 the health, safety and environmental and other statutory legislation, regulations and safe working practices and procedures and their implications for your area of work
- K2 the relevance of personal protective equipment (PPE)
- K3 the actions to be taken in response to an unplanned event
- K4 the possible range and effects of hazards
- K5 why a particular detection method and certain resources are appropriate to the occasion
- K6 the basis on which you might challenge the accuracy or consistency of information
- K7 which agencies may be relevant and why
- K8 the capabilities, limitations and availability of resources
- K9 operational requirements and organizational procedures

Confirm the presence of munition(s)
